Congratulations on the 50th Anniversary of SAREK

On behalf of Chinese Association of Refrigeration (CAR), I am very pleased to extend my heartfelt congratulations to the 50th anniversary of SAREK.

SAREK has built its international reputation and influence in the past decades and played a key role in HVAC & R industry. CAR and SAREK have extensive and favorable cooperation in the fields of media cooperation, information communication, technical exchanges and exhibition during the past years.

We look forward to a much closer cooperation between us in improving the communication between our two countries in HVAC & R industry.

I send my best wishes for the 50th anniversary of SAREK!

Prof. MENG Qingguo

Executive Vice Chairman
